Below is confirmation that the notice will go in the newspaper on December 12<sup>th</sup>. All the documents for the website is over to Annette and she is working with Sherry to get everything back active on our Region 4 webpage. I've also sent Stephanie the list of individuals that *technically* need a mailed copy of the notice and asked her to send out the letter certified mail on December 12<sup>th</sup>.

Tomorrow I put together an email that will go out to all the interested parties also announcing the public hearing. I'll run that announcement through the team for review. I have that email list pulled together and will send those out on Thursday morning from our Kampachi mailbox.

Thanks,

Meghan

Hi Meghan, yes, they paid a little ago and I have processed the notice and it is still going to publish on Dec. 12, 2019, I had a little cushion and had not called deadline yet, so you are good.  
Thanks, Shay

Shay,

I was just informed by our admin staff here that they made the payment and received confirmation. I believe the payment was not made prior to noon and so I was checking to see if it was still able to be published on Thursday (12/12) or if it is now pushed back until Friday (12/13).

If it's 12/13 then there would be a very minor change to the document I sent you. Right at the top there is a date that says the date of publication. If the notice will now be published 12/13, I'll need to make a change to that date. Please let me know if I need to send you an updated document.

I apologize for the slight miscommunication on our end for payment time.

Thank you for all your help,
